

MEET *Iowa* MUSCATINE

THE RIGHT PLACE TO GROW...

2008 - 2009 FACT SHEET

Presented by Greater Muscatine Chamber of Commerce & Industry (GMCCI)

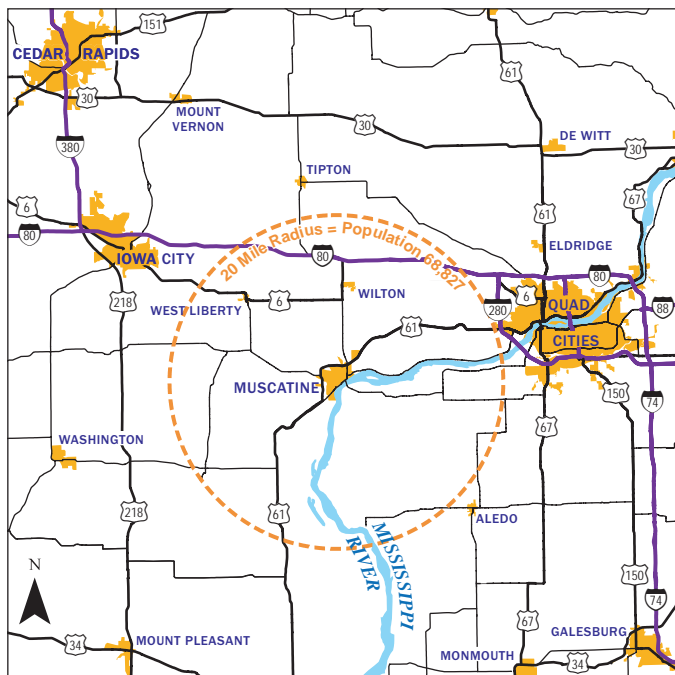

LOCATION

Muscatine is a community strategically located 15 miles south of the nation's only east/west transcontinental interstate highway, Interstate 80, and astride U.S. 61, a major north/south route through the central United States. The community is situated on the banks of the Mississippi River, approximately 28 miles downstream from the Quad Cities, 150 miles east of Des Moines, 200 miles west of Chicago, 310 miles south of Minneapolis, and 250 miles north of St. Louis.

Micropolitan Muscatine

The U.S. Office of Management and Budget officially uses the term "Micropolitan" to describe Muscatine. Micropolitan gives identity to the nation's fastest-growing areas. A characteristic designating a micropolitan geographic area is that adjacent counties have a high degree of social and economic integration, based on commuting patterns. The Iowa-Illinois metro areas of the Quad Cities and Iowa City/Cedar Rapids Corridor are Muscatine's associated urban clusters. Muscatine's strong economic base is attributed to abundant and diverse industries, some with Fortune® rankings. Bridgestone Bandag LLC, HNI Corporation, Muscatine Foods Corporation, Stanley Consultants Inc., Unity HealthCare, and West Liberty Foods have their headquarters in Muscatine County. In addition, Gerdau Ameristeel, H J Heinz L.P., Monsanto Company, Musco Lighting, LLC, Raymond-Muscatine Inc., and SSAB have significant plant locations here.
